Sky Line Quadro window displays

Quadro shelf

Lighting

Entire shelf is fully lit. Light is coming from the bottom of the white shelf surface that reflects the light perfectly. Shelf provides ideal lighting conditions for frame presentation.

Magnetism

Rotatable frame holders are attached to the magnetic shelf surface to create extra space for frames. They will double your display capacity with ease.

Decor

Magnetic surface allows quick changes in decor with magnetic covers. Dress your display in new design or simply decorate it with different signage and branding.

Security

Shelves are available also with lockable acrylic doors. Each door can be easily taken out if needed.
